Re: Substitution Treatment Plan

Dear Mayor Sullivan:

Please accept this letter as The Gastown Business Improvement Society's endorsement in principle of the concept of a 'Substitution Treatment' research project.

We congratulate you on this initiative which is designed to work with addicted people to end their drug dependency and improve their quality of life as well as be a means to help deal with Vancouver's street disorder and street crime issues.

Sincerely,

Patrick Prinster, Vice President
THE GASTOWN BUSINESS IMPROVEMENT SOCIETY
